About GS Plus IAS

Who We Are and Why We Exist?

GS Plus IAS was founded with a singular conviction: every aspirant who commits to the journey of civil services deserves guidance, structured mentorship, and unwavering academic support.

Rooted in the intellectual tradition of India's Top institute culture, we bring the rigor of Delhi's top faculty to students. Our Centre has grown into a trusted name among thousands of UPSC aspirants who have walked through our doors and carried forward the preparation that truly mattered.

At GS Plus IAS, learning is not a transaction. It is a transformation. We believe that the civil services examination is not merely a test of knowledge but a test of character, clarity, and conviction. Our programmes are built to nurture all three.

With expert faculty, daily answer writing, personalised mentorship, and current affairs coverage that leaves nothing to chance, we prepare you not just to sit for the UPSC examination but to excel in it.

Concept First Approach

What exactly you need to crack UPSC-CSE in 1st Attempt?

Goal Setting is the basic pillar of any preparation strategy. You need to precisely know what you'll cover by what date every month. This also helps in avoiding burnout or digressing from the right track.

You need a holistic '**Assessment-based approach**' that covers the whole Syllabus in the shortest possible time while leaving room for revision.

'**Comprehensive & concise notes**' on the most relevant micro themes based on PYQs trends and Ranker's recommendation.

A well-planned, practical '**Revision Strategy**' with one goal: Qualify Pre & Mains.

Understand the '**Theme & Demand**' of the Mains questions and have a ready reference bank of "Intro-Body-Conclusion" combinations to develop a muscle memory with repeated themes.
